VGA Extension Cable

Details correct on: 09/02/2012

Notification	
Product Code	EX-022
Short Description	Grey VGA HD15 male to HD15 female cable, 2 Mtr
Full Description	Our range of VGA cables are constructed using 28awg conductor cables, shielded with drain wire. Our cables are designed for standard monitors and may not work with widescreen LCD's that require DDC cable. The male to female cables are primarily used as extension cables, or to connect to the Video Splitter or VGA CAT5E Extender.
